

Fridge Facts

for 1st Grade

October

S	M	T	W	T	F	S
1	2	3	4	5	6	7
8	9	10	11	12	13	14
15	16	17	18	19	20	21
22	23	24	25	26	27	28
29	30	31				

For the week of

October 30, 2017

Math at the Moment

Skills we continue to work on:

- recognizing the relationship between addition and subtraction
- finding the missing addend in put together/take apart situations.
- discover fact families
- fact fluency to 10

Can you solve it?

Layla has 12 pieces of Halloween candy. Her brother eats some. Now she has 7 pieces of candy left. How many pieces of candy did her brother eat? Draw a number bond. Can you write the fact family for this number bond?

Reminders

Be sure you are reading 20 minutes every night! Practice, practice, practice!!!

Coming Up

Oct. 31 - Book Character Dress-up (Must be a book character. More info was provided last week.)

Nov. 9 - Publix Math Night

Nov. 13 - Veteran's Day Celebration

Tip of the Week

Dice, cards, and board games can help your child learn addition combinations. Christmas is coming and it's the perfect opportunity to buy card games or board games to play as a family AND help improve math skills.

Reading Right Now

Phonics (Spelling) Skill of the Week: ending blends

These are example words.

fast sink land lamp belt rent desk

High-Frequency Words: eat no of under who

Sentence Fluency - Read like we talk.

1. Who gets a bag of pink mints?
2. Brent and Frank will eat the junk food.
