10	11	12	13	14	15	16
17	18	19	20	21	22	23
24	25	26	27	28	29	30

For the week of

September 11, 2017

Math at the Moment

We are continuing to:

- count on when adding.
- make 10 when we know 1 number.
- find the unknown number in a mathematical situation.
- count backwards from 20.

Here is a great way to practice with ten-frames at home. Play this for your child and have them tell you how many dots they see in the ten frame.

https://www.youtube.com/watch?v=t8U_zZ-rWIE

Reminders

Every year we have Reading In Schools Day. We'd love to have parents, grandparents, and other special people come read to us. Please send a note to your child's teacher if you'd like to participate on September 22.

Coming Up

Early Release - Sept. 14
Dismissal is at 10:45 a.m.

Fall Pictures - Sept. 22

Reading in Schools Day - Sept. 22

Tip of the Week

Count 8 pennies, then hide 4. Ask "How many are hidden?" Does she know there are 4?

You can use pennies, beans, or any small item. A cup makes a good hiding place. Take turns playing with your child.

Reading Right Now

Phonics Skill of the Week: L consonant blends
black clip flag flip glass plan slip

High-Frequency Words: be come good pull

Sentence Fluency - Read these sentences like we talk.

1. Jim sits in class.
2. The black flag flaps.
3. The pig flips and flops.
4. The class is glad.
5. Miss Black has a plan.

We are reading: Kim and Flick, Flip, A Pig for Cliff, Cool Dog School Dog, Magic School Bus Gets a Bright Idea, Light: Shadows, Mirrors, and Rainbows

Pre-primer Sight Words

a	and	away	big	blue	can
come	down	find	for	funny	go
help	here	I	in	is	it
jump	little	look	make	me	my
not	one	play	red	run	said
see	the	three	to	two	up
we	where	yellow	you		

Science Integration: We are conducting experiments with light and learning that we need light to make things visible. Light travels in a straight line.
