

# Fridge Facts for 1<sup>st</sup> Grade

## September

S	M	T	W	T	F	S
					1	2
3	4	5	6	7	8	9
10	11	12	13	14	15	16
17	18	19	20	21	22	23
24	25	26	27	28	29	30

For the week of

September 25, 2017

## Math at the Moment

We are building addition fluency to 10 by:

- Making 10
- Doubles
- Doubles +1
- Using the commutative property

Practice those math facts each night!

We are also beginning to pull in related subtraction families. So if  $4+4=8$  then use the double strategy to solve  $8-4=?$

## Reminders

Complete your reading logs every night!  
Remember to read the pictures as well as the words. Reading 20 - 30 minutes a night makes a BIG difference!

## Coming Up

End of the 1<sup>st</sup> 9-weeks - Sept. 29

Fall Break - Oct. 2-6

## Tip of the Week

Adding Doubles Songs on YouTube:

Doubles (1-5)

[www.youtube.com/watch?v=Ik\\_-0AgzD-8](http://www.youtube.com/watch?v=Ik_-0AgzD-8)

Doubles (6-10)

[www.youtube.com/watch?v=NUprfk7UWNA](http://www.youtube.com/watch?v=NUprfk7UWNA)

All Doubles
